The author is not engaged by this text, any accompanying electronic media, or lecture in the rendering of legal, tax, accounting, or similar professional services. While the legal, tax, and accounting issues discussed in this material have been reviewed with sources believed to be reliable, concepts discussed can be affected by changes in the law or in the interpretation of such laws since this text was printed. For that reason, the accuracy and completeness of this information and the author's opinions based thereon cannot be guaranteed. In addition, state or local tax laws and procedural rules may have a material impact on the general discussion. As a result, the strategies suggested may not be suitable for every individual. Before taking any action, all references and citations should be checked and updated accordingly.

This publication is designed to provide accurate and authoritative information in regard to the subject matter covered. It is sold with the understanding that the publisher is not engaged in rendering legal, accounting, or other professional service. If legal advice or other expert advice is required, the services of a competent professional person should be sought.

From a Declaration of Principles jointly adopted by a committee of the American Bar Association and a Committee of Publishers and Associations.
